

Statement of Faith

The purpose of SONshine Preschool is to offer a quality pre-kindergarten program that not only teaches school readiness skills, but also proclaims the name of our Lord, Jesus Christ.

SONshine believes that early childhood Christian education is important. We want to assist parents in nurturing their children by offering a well rounded Christian program of age-appropriate activities that will develop a love of learning.

Our curriculum will be based on the truth as it is found in the Bible with the Triune God as the Sovereign Creator, Redeemer, and Sustainer of all Creation.

We will acknowledge:

- that the Bible is God's infallible and authoritative word
- that all authority in Heaven and earth belongs to Jesus Christ
- that God created the world and all that is in it
- that the purpose of the world is to glorify and praise God
- that we have the special task of being stewards of God's creation
- that God's commandment to love Him with all of our hearts and minds applies to every aspect of our lives
- that the Holy Spirit reveals to us who God is, who we are, how Jesus redeemed us, and how we must live for Him by serving others
- that we can only be redeemed through Jesus Christ, our Savior by confessing our sins and claiming the free gift of salvation through His love

By acknowledging these truths, we realize the importance of God's command to "Train a child in the way he should go, and when he is old he will not turn from it." Proverbs 22:6 We as teachers are mentors to our students and must skillfully integrate our faith and learning so that the children will see our faith in daily living action; and thereby, learn to view the world through the eyes of God-given faith.
